I love being in front of the camera. I've taken so many selfies of myself that I've used up all the memory on my phone. First it started out all innocent; selfies at parties, selfies at games,. Then I started taking selfies in my bedroom and little by little I've been taking pix with less and less clothes. Now I'm comfy in front of a lens and I've learned to let go.

banking on a good time

18+

I work part time in a bank branch just off campus. Who would have thought my best sexual experience was here.

ing in the doorway and without hesitation said why don't I come in. I didn't think twice and went over to her. She sat up and undid my pants and slid them down taking my cock in her mouth sucking on it, making it harder.

Ms. Williams laid back on the couch, legs wide open, and in a second I was naked and between her legs and slid my cock into her until all of it was up her hot wet pussy. I plunged in and out of her, banging my balls

she was wondering if I eat pussy as good as I fuck. She wants to find out. I said, well there is only one way to find out. She did not mince words. She said she'd be off tomorrow, come over to her home after nine. She gave me her address.

The next morning I was with her in the bedroom. Both of us naked. I went down and ate pussy, nice and plump and pink, licking and sucking her clit over and over until she was cumming. I slid my tongue in her pussy and she was moaning and pushing her pussy against my mouth. She let out a moan and said 'fuck me.' I was more than happy to do so, taking her legs over my shoulders and shoved my cock deep into her, fucking her, pounding her, her boobs bouncing, her pussy tightened around my cock as she was cumming again and she said don't stop. I didn't until I exploded and filled her pussy with my cum and went limp. But Ms. Williams still wanted to fuck some more. She sucked my cock hard again, straddled me and we fucked until we both came again.

Evening came around and I had to go. I showered and dressed. She put a robe on. Before I left, She said she wanted to meet once a week. We made arrangements. That is why I have always loved sex with an older woman. They know what they want.

– Jesse, Madison WI

After hours one night I was cleaning the banking floor as normal when I hear someone upstairs, so I went up to see what was going on. I walked down a hallway to the far office and to my surprise, there was the manager Ms. Williams laying on the couch naked, sliding a dildo in and out of her pussy. She is a good looking woman – early forties, nice 36-D boobs. She was oblivious to me watching her. I stood there several minutes, my cock stiffening. Suddenly, she noticed me stand-

against her soft ass cheeks. She wrapped her legs around me and was bucking against me as she was cumming. I was inside her, banging her until I shot my load of juice up her fucking soaking wet pussy until I went limp. After catching our breath, we both got dressed, she went home and I finished cleaning the offices.

Everything went on as usual for about a week until one evening I saw she was working late and

YES, I'M WET.

*I'm also sassy, opinionated,
a bitch, a sweetheart, your lover,
and your worst nightmare.
I'm your ex – asshole.*

new girlfriend new passions

18+

I'm a 24 year old male and I been sleeping with my 20 year old girlfriend for about two years now. Her name is Lorissa and she's good in bed and satisfies me to the bone. Our sex life started off one night when she allowed me into her dorm room. Fortunately, her roomie was away for the long weekend and we had the place to ourselves. She opened the door as I knocked, wearing an open nightie with her big boobs par-

them. By now, she became putty in my hands and her body was mine. I seduced her the entire night. I worked my way down to her pussy, which I found freshly shaved, and tongued her simultaneously as I had my hands all over her body.

She whispered that she was ready for me, and my cock. I worked my way up over her body as my cock found it's target in the darkness. I had her legs over my shoulders, thrusting into her. As I fucked

Stroking it with one hand, she slides the other under me to my balls and pulls at them. Working my cock and balls with her hands, she slips a finger under me and between my ass cheeks finding my pucker. I jump and she looks up at me smiling. She pulls that hand away and moves it around my hips to pull me closer and into her mouth. My cock's ready so she positions herself on her back on the bed with her knees pulled back on her chest.

I got between her legs and reached under her butt and lifted it a little. She reached down and lubed her butt hole, and then I put my dick in her ass. Stuck it right in. I stared at her and she had her mouth open and her eyes were rolling inside out, telling me to leave it in there because it felt so good. I popped her anal cherry and till this day we still have sex as manic as that very first day we did it.

I love her and she loves the sex more and more. Everytime we have anal sex, she says she's in paradise and lays there with her mouth open and her eyes rolled inside out. Sometimes she tends to doze off with my dick still inside her. She tells me it feels so good, she can fall asleep during intercourse. We still manage to have the best sex possible. She is so addicted to me and never wants me to go. I try not to go, but I always try to come.

tially exposed and only panties underneath.

As we talked, I placed my hands on her shoulders attempting to give her a massage. She let me put my hands on her body as I worked my way below, massaging her back, then her waist. I gently put my hands on her full boobs caressing and gently fondling

her, I had her stretched out in the wishbone and pounded that fresh pussy the whole night. The bed rocked back and forth, her loud moanings were the only sounds in the place.

Then, to my amazement, she told me she wanted to try anal sex. I was not anticipating this and lost my boner for a moment. She went down on me and got it back up. She takes my cock in her hands.

spring breaking

Last year my girlfriend and I spring breaking in Panama City, Florida. We were out to dinner with some college friends and after a several bottles of red wine we were all feeling a little tipsy and a little friendly. We went back to their hotel room to play cards and watch TV. Kenny suggests we play poker. We said fine and he broke out some more drinks

with the cards. We played a couple hands and my gf, Bianca, won both of them. Then Winnie suggested we play strip poker. Bianca and I looked at each other and I said I was game if she was. She was a bit hesitant, but after winning the last two hands, she felt quite confident.

I knew Kenny had eyes for Bianca, and I kinda had a hard-on for Winnie, so I was all for it. Winnie dealt the first hand and Bianca won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and we were all down to our civvies. I had on a T-shirt and boxers; Bianca was in her bra and

panties; Kenny was just in boxers and Winnie was in bra, panties and she still had her skirt on.

It was now my deal. We were drinking and laughing as bets were made. Kenny won and I dropped my shirt, Bianca her bra, and Winnie stood up and started a little dance as she began to undo the fasteners on her shirt. All of a sudden Bianca got up and started to help her. She reached down

between Winnie's legs and pulled the panties off of her. Throwing them over to me, I caught them and twirled 'em around, egging the girls on. As Kenny and I looked on, they started kissing each other and Winnie reached over and pulled down Bianca's bra and then pulled down her panties, throwing them to Kenny. She then gently pushed Bianca onto the table and grabbed her knees to spread them. She lowers her head into Bianca's crotch and begins to lick her. All three of us watch as Winnie licks and sticks her fingers inside my gf's wet pussy.

I get up first and position myself behind Winnie. I drop my boxers and slip my cock inside her as she continues to lick Bianca. Kenny saunters over beside Bianca and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Kenny and I grab a couple of the wine glasses from the table and toast each other over the girls. Winnie then stands up and pulls me out. She seats herself next to Bianca on the poker table and motions me to continue fucking

her as she opens her legs and gets into position for my cock. He takes advantage of the change and moves around to drop between Bianca's legs and now he begins to lick her. I watch as he sucks my wife and he watches as I fuck his.

All of a sudden Kenny gets up and lays down on the table. Bianca proceeds to rub him back to hardness. Her mouth works on his cock and he's finally hard again. I'm still fucking Winnie and she begins to moan that she's cumming. I pump harder and feel her wave of orgasm as she bucks and shakes the table. Kenny seems to have made a miraculous recovery and Bianca brings him to climax taking his jizz in her mouth and then spitting it into a wine glass.

It seems that both of our friends have cum so Bianca and I are left to finish off ourselves, but she says she's still real horny and wants to finish back in the bedroom. She grabs me by my stiffie and pulls me to the bed. Immediately she sits on the bed and pulls my cock into her mouth. She works it like a pro and then leans back and guides it into her damp pussy. I can't resist banging her as hard as I can and we end up fucking our heads off.

In the morning we called our friends to see how they were. Winnie says they are both fine and had a great time last night. We agreed and said that we should do it again next time we spring break. I think we're going to plan another trip here next month.

i need to take
some time off
from my studies

I'm studying for my doctorate and as time goes on the courses get harder. That's why I've hired a special tutor for my studies. Problem is that he's so cute that I just can't keep my hands off him, or his cock. You should see that thing. It's big and hard and I just love the way it fills my pussy and mouth. Sorry, guys, but I gotta go. Tutor time.

my neighbor is a hottie so...

Yes I would like dessert

I live next door to a young couple and have become good friends with them over the months. Karole is a little doll with good size boobies and a round little ass guys dream about. And if that weren't enough, she has the face of an angel with pouty lips and deep blue eyes. We live in a gated community inhabited mostly by married college students since it's only a few blocks from the university. At our pool parties I had the opportunity to admire her luscious assets. I had the feeling she enjoyed my flirtation because she flirted right back. One day she sat on my lap in her new bikini and feeling her ass on my legs got me to feeling a bit horny.

A few weeks later as I was studying at home, Karole came to the door with sandwiches. She said she noticed my car in the carport and since her husband was not home, would I have lunch with her. I

invited her in and we ate at the kitchen table and washed down our lunch with some red wine. She mentioned that her husband traveled a lot for business. I listened, but mostly I watched her walk over to the counter and back as she refilled her glass. Her short

dress clung to that firm ass and her bare thighs looked great. As I looked closer, I realized she didn't have on a bra, and I snuck quick peeks at the outline of her nipples. Of course, the more I peeked, the harder my cock became until I was embarrassed to stand up.

After some more small talk I was so horny from the wine that I decided I would try to make a move. I looked at her and said, "Thanks for the lunch, but I need to get back to work. And since you didn't bring dessert..."

I could tell from the look on her face that she knew exactly what I meant. She laughed and said, "Desserts are too fattening." "But the dessert I had in mind has no calories." I said. She laughed and said, "You naughty boy, You should go back to studying." I was ready to apologize, but she touched my lips to shush me and suddenly ran into

...not even undoing my belt, she jammed her hand down my pants and grabbed my throbbing cock.

the living room.

I quickly followed, not sure what she was up to. As I entered the room, I froze as I saw her untying her shoulder straps and letting her dress fall to the floor. I knew she wasn't wearing a bra, but as the dress fell, she wasn't even wearing panties. Her naked body was even better than I had imagined. She had full round breasts, perfect pink nipples, a flat tummy and, oh that fine little ass. "Do you still want that desert?"

I practically flew across the room, stumbling over my ottoman, but caught myself just in time to straighten up and give her a kiss and began running my hands over her body. I could tell she was as hot as I was as she began pulling off my shirt – and not even undoing my belt, she jammed her hand down my pants and grabbed my throbbing cock. With her free hand she undid my zipper and pulled it out.

She stroked it a few times and knelt in front of me stroking my cock and balls. She looked up at me with those angel eyes and asked if that felt good. I moaned something stupid, but

she did not even bother to wait for my answer. Her mouth opened wide and she pulled my cock into it using my balls for leverage.

After a few blissful minutes I reluctantly pulled her off my cock and sat her down on the edge of the sofa. She leaned back, spread her legs and said, "Show me what you can do with that monster!" I bent down and guided my cock into her wet pussy and she arched back in heavenly moans as I penetrated the outer lips and thrust hard into her. Her pussy was as soft as I imagined. Her husband must be away a lot or it could be that I was much bigger than him. I reached under her and grabbed both butt cheeks and used them to pull her hard onto me as I pushed and

pulled my cock into her pussy. We both were loving the feeling and the sound of our sweaty bodies slapping against each other.

She straddles my lap so that we're facing each other. We start to kiss ferociously and groping body parts. She kisses my neck and bites it a little just to turn me on more. She begins to rotate her hips and grind her ass and pussy against his lap. I'm grabbing and squeezing her ass hard. I get up and lead her to the bedroom. I push her on the bed and kiss down her belly as my hand begins to caress her mound making her so wet. I'm playing with her clit and know she wants me to devour her and take me all in. I slide the tip of my tongue

up and down her pussy lips. I want her so bad. I spread her lips and flicks my tongue over her clit. Then I begins to rotate it and moving it in circles.

Her hips unconsciously begin to move. I reach two fingers deep inside of her hot wet pussy. Moving them in and out faster and faster. I licked my lips and knelt by her face. "You know what's next?" I say and without any further conversation she inhales my cock completely. She took it deep into the back of her throat.

I kept shoving it down further. Thank god she had no gag reflex. I pulled out to fuck her pussy but she wanted to taste my cum running down her throat.

Once again I began to tease and finger fuck her pussy. I sensed she couldn't stand it anymore. She wanted me to fuck her. I position myself at her hole. Probing and teasing. I shove it in deep and begin to pound her pussy like never before. She said she hasn't had sex in over four months so it was pretty intense. I fucked her hard. I loved the feeling of my cock sliding in and out of her tight pussy.

I pushed her over onto her stomach and began to fuck her like a dog. "You like that? You like me fucking you doggy?" I whispered in her ear as he pulled her hair. That drove her almost to the edge. I smacked her ass until it turned red. I pulled out again and she started getting disappointed. But that's how I get them. I began eating her ass.

Rolling my tongue around her hole and then tongue fucking it. She started gripping the sheets and pushing back against my tongue. I smacked her ass once more be-

She could tell I was about to cum and she reached around our butts to grab my balls and give them a good squeeze. Well, that was too much for me...

fore shoving my cock deep into her ass. My full length was buried inside of her. She clenched tight and began to push back letting me know that she wants it.

I took the invitation and began to smash her ass raw. She felt every thrust like I was reaching for a goal. It was so deep and rough. I knew just how she liked it. When I pulled out, I thought she was finished. I was wrong. She laid on her back and I had her sit down backwards on my cock. Then I

lifted her legs and began to hard-core smash my cock into her pussy. Her juices were flowing everywhere. I hit the spot every time I pushed in. I could feel my orgasm building deep inside me once more. I turned her over so she was on top and facing me. I kissed her deeply as she began to ride and grind on my meat.

So, I felt the big build up and began to pound her even harder. She could tell I was about to cum and she reached around my butt to grab my balls and give them a good squeeze. Well, that was too much for me and I shot a huge load deep into her wet pussy. Now it was her turn and she grinded her hips onto my cock. I grabbed each nipple and gave them a soft twist and squeeze as she came with a big grin on her face.

Basking in the after-glow, I told her I was hoping that this would happen again one day. She said she thought about it, too. Anxious, I asked when we could do it again. She looked around and then back at me. I looked down because I was starting to get embarrassed. Then, with a big smile, she said she'd have to check her husband's schedule and let me know.
